

## ZEN BABY POWDER

---

Using only 100% natural ingredients including montmorillonite, turmeric root powder and dandelion root powder, our Zen Baby Powder absorbs excess moisture while treating and preventing diaper rash. Furthermore, it protects against irritated and chafed skin to keep baby's skin healthy and soft.

Morocco Method uses only the finest natural ingredients in all our baby and child friendly products. We believe that our commitment to producing raw, vegan, paleo, sulfate free, SLS free and non-foaming products makes Morocco Method a brand your family can trust.

### How to Use Zen Baby Powder

Apply directly to diaper area to absorb moisture to keep your baby dry and happy. Zen Baby Powder uses natural clay to absorb moisture to keep your baby dry and comfortable. Turmeric and dandelion powder soothe skin while relieving any chafing or rash irritations.

### Other Uses for Zen Baby Powder

#### **Sunburn Relief**

Add water to make a soothing crème to provide relief for sunburned skin.

#### **Prevents Chafing**

Lightly Apply to baby's bottom after changing diaper.

#### **Cools Sheets**

Sprinkle baby powder on the linens before getting ready for bed or when making the bed in the morning.

#### **Absorbs Grease from Clothing**

Sprinkle coat on grease spots on clothing to help absorb and remove.

#### **Removes Odor from Carpets**

Sprinkle a coat of powder on carpet or spill area to help remove bad odors.
